Nick O'Hara
Bureau of Criminal Apprehension

Erik Skon, Assistant Commissioner of
Adult Facilities
Minnesota Department of Corrections

Jeff Thielen
Minnesota Department of Natural
Resources

APPENDIX B.
SURVEY INSTRUMENT

TRAINING FACILITY NEEDS SURVEY

INSTRUCTIONS

- This survey concerns training facilities used by the fire and public safety personnel in your department. *Training facilities* means every place where you conduct organized training, including in-house. The form is directed to the chief officers, or training officers where applicable, of fire and public safety agencies including fire chiefs and chief law enforcement officers.
- This survey is one of the most important sources of information that will be used to create a statewide master plan for fire and public safety training facilities. Questions should be directed to Donna Koren at 651/297-1860.
- This prepaid, pre-addressed return form should be re-folded and *securely taped* for return.
- We encourage you to provide additional information about your current training facilities and your needs. If you enclose loose sheets, return the form and added pages in an envelope.
- Please return this form so that it will arrive by *Monday, Nov. 23*.

DEPARTMENT INFORMATION

1. Who is completing this form?

Name _____

Title _____

Department _____

Daytime phone number _____

2. What is the total number of people in your department now? _____

3. Enter the number of personnel trained this year, according to type of training.

Firefighter training

Volunteer or paid-on-call _____

Career _____

Peace officer training _____

TRAINING FACILITIES

We need to know about facilities your department has used in the past one to three years for fire and public safety training. Include information on **in-house training facilities** (mark your own facilities with an asterisk *); **facilities where required** (POST, EMSRB, or OSHA) **training takes place**; and **other most-used training facilities** (measured by the number of people trained and number of training events). Include mobile facilities.

TRAINING FACILITY name and location (city)	FACILITY CODES (see instructions below)	Number of people trained at the facility (should not exceed number of people in department)
Name: Location:		
Name: Location:		
Name: Location:		
Name: Location:

Name: Location:		
Name: Location:		
Name: Location:		

INSTRUCTIONS: Use these codes to describe the features you use (enter all codes that apply):

Non-specialized space

- Classroom/meeting room N1*
- Other indoor open space N2*
- Outdoor open space N3*

Firing range

- Outdoor F1*
- Indoor F2*
- Simulator F3*

Burn building/facility

- Available building B1*
- Live burn facility B2*
- Burn "tower" B3*

Other specialized

- facility/space (specify)*
- Other specialized O1*
- Mobile facility O2*

Emergency vehicle driving range D1

TRAINING FACILITY NEEDS

INSTRUCTIONS

Please assess how well the training facilities available to you meet your department's needs. Answer for the types of training facilities you *currently* use (Column 2) and *would* use for up to the next 10 years (Column 3).

Columns 2 and 3: Circle one code in each column to summarize how well each type of available training facilities meets your needs. Example: If classroom/meeting training facility meets your needs, circle M.

Column 4: If you circled N for any type of training facility in Column 2 or 3, enter all applicable codes that explain your reasons for current and expected needs.

Codes for Columns 2 and 3			Codes for Column 4		
<i>M</i> Meets (is expected to meet) needs <i>O</i> Meets (is expected to meet) most needs <i>N</i> Does not meet (is not expected to meet) needs <i>U</i> Unknown whether facilities (will) meet needs			<i>A</i> Facility not available when we want to train <i>CS</i> Cost of using the facility is high <i>CL</i> Facility is closing <i>D</i> Travel distance and travel expenses are too great <i>E</i> Facility may not be available for environmental reasons <i>U</i> Facility will require a significant upgrade or renovation <i>O</i> Other reasons (specify)		
1. Type of training facility	2. How well training facility meets current needs	3. How well training facility is expected to meet future needs	4. If you circled N in either Column 2 or 3, give your reasons		5. Your notes or comments (Include all explanations here)
	Circle one	Circle one	Current	Expected	
			Use all codes that apply		
Classroom/ meeting room	M O N U	M O N U			
Other indoor open space	M O N U	M O N U			
Outdoor open space	M O N U	M O N U			
Firing range or simulator	M O N U	M O N U			
Burn facility	M O N U	M O N U			
Emergency vehicle driving range	M O N U	M O N U			
Mobile training facility (specify): _____	M O N U	M O N U			
Other training facility (specify): _____	M O N U	M O N U			
Other training facility (specify): _____	M O N U	M O N U			
Other training facility (specify): _____	M O N U	M O N U			

APPENDIX C.
SPECIALIZED FACILITY INVENTORY

PUBLIC SAFETY TRAINING FACILITIES
used by Minnesota law enforcement agencies as of Jan. 7, 1999

CITY and FACILITY NAME (ownership type codes: <i>ed</i> = education <i>ml</i> = military <i>pj</i> = public-agency joint ownership <i>pr</i> = private <i>pu</i> = public single-agency owner		TYPE of FACILITY					
		Outdoor firing range	Indoor firing range	Firearms simulator	Burn facility	Mobile fire	Driving range
Aitkin	Wealthwood Rod and Gun Club (pr)	✓
